# ABOUT STRATH CREEK STATION

## Welcome to Strath Creek Station,

Strath Creek Station is a family-owned and run property in the heart of Victoria, set on sprawling acreage where native trees and wildflowers thrive and the King Parrot Creek winds its way through the land. Here, sweeping valley views meet open skies and rustic charm.

We believe every wedding and celebration should feel truly personal, which is why we offer a blank-canvas, venue-only space where your imagination can take the lead. Whether you dream of a marquee wedding under the stars, a long-table feast with food trucks, or a relaxed creekside ceremony, our grounds give you the freedom to design an event that reflects you.

With open space, power access, and flexible hire options, Strath Creek Station is perfect for couples and hosts who want to bring their own style, suppliers, and creativity. Our property is your backdrop — you bring the vision.

At Strath Creek Station, we keep things simple: just beautiful scenery, a welcoming space, and the freedom to make it your own

## THE GATHERING PLACE

At the heart of Strath Creek Station, The Gathering Place offers a versatile open-air space designed for connection and celebration. Featuring a large rotunda with a cozy fireplace, a powered lean-to shed for catering, music or styling needs, and a spacious outdoor dance area, it's the perfect setting to bring your event to life under the stars.

Whether you're hosting a wedding reception, milestone celebration, or corporate function, this space provides the ultimate blank canvas. Marquee? Food trucks? Boho picnic? All welcome. You bring the party - we've got the space.

## THE STATION RETREAT

Perched above the valley, The Station Retreat is a cozy, self-contained retreat overlooking rolling views of the property. This rustic yet comfortable space is perfect for unwinding before or after your event, offering a peaceful stay with a large balcony to soak in the scenery.

With 1 King size bed and 1 Queen size bed upstairs, and 2 Queen size beds downstairs, a kitchen, bathroom and laundry. Perfect for a bridal suite, for couples, families, or event hosts seeking a quiet country escape.

Please note: The Station Retreat is available for accommodation only and is not offered as an event space.

## THE CREEKSIDE CEREMONY NOOK

Set within a natural keyhole bend of the King Parrot Creek, The Creekside Ceremony Nook is one of the most peaceful corners of Strath Creek Station. Here, the creek gently wraps around on three sides, offering a sense of privacy and stillness that makes it the perfect place to say “I do.” Surrounded by native wattles and towering gum trees, and with the soft sound of water flowing past, it feels like a private oasis where you and your guests can pause, breathe, and take in the moment.
